Dear Stella and Pete,

Thank-you, thank-you very much for sending the book with the picture of Emily and Uncle Walt. Uncle Walt does look a little like our son Mike. It was sure fun to see that picture. Thanks too for the picture of Red Rocks with Bishop Baraga head over the trees.

Can't imagine 20.4 inches of snow! We had 12 inches of snow here and thought that was a lot!

We wish we could have met Paul also - Our telephone number is: 916-475-3350.

You must miss Ramona a lot - Hope she and her husband get back to visit you.

We sure wish we could have visited longer with you. It was fun to see your summer house - but we're not sure if it was in the Huron mountains? We dream of being able to visit with you again - Sarge + his wife

Tasha had 8 airedale puppies four weeks ago, so they are keeping us very busy. They sure are cute and it will be hard to part with them when they are six weeks' old - I would like to keep one - but then we'll have 3 dogs and it will be hard to travel.

Mike was home for a couple of days on his Spring break from school and he enjoyed the puppies. We would sure like for Mike to meet you and see beautiful Upper Peninsula - maybe someday.

Thanks again. We hope you have a Happy Easter and that all that snow melts soon.

Love,

Ray + Joe
